INFORMATION FOR PROSPECTIVE MEMBERS

Thank you for your interest in the tennis club. Here is some information that may answer some questions for you, though if you need anything further please call our Chairman (Mark Ayers) on 07884 044813, or Membership Secretary (Mandi Tindall) on 01372 272419.

A club for adults, children and families

At Epsom LTC we welcome all new members whether you are an adult, a junior under 18 years, or a family. We are a local club, with a friendly relaxed atmosphere and great facilities that encourage tennis all year round.

For adults

We have many opportunities during the week for social tennis play, where players can mix in with other club members. There is social tennis for offpeak and full members on Monday mornings and Wednesday afternoons, whilst full members have further sessions on Tuesday and Thursday evenings, and Saturday and Sunday afternoons. Coaching is provided for all standards from beginners to advanced players, whilst ladies, men's and mixed teams operate throughout the year for those looking for competitive play.

For juniors

We offer membership for juniors from 5 years and upwards. Our Racquetteer membership is for 5 to 9 year olds and offers players the chance to come and play with their parents. For older juniors or more experienced players under 10 years, our junior membership provides junior social tennis sessions on Monday evening and Saturday morning. Senior status gives juniors the opportunity to play at adult social tennis and is offered to juniors with a higher standard of play. Epsom LTC is a friendly club and we encourage juniors to use the club as much as possible. Juniors have the same rights as adult members when using the courts in accordance with our Junior Charter. We have an appointed Children's Officer and are an accredited member of the LTA's Club Mark scheme.

Our facilities

We currently have three artificial clay courts, two artificial grass courts and also two porous macadam courts. All of them have floodlights. We also have five grass courts for summer use. The clubhouse has a shower and changing rooms. There is a bar available in the neighbouring cricket clubhouse, and both clubhouses can be used for social events.

Social events and tournaments

The club has a social events calendar for the year including friendly tournaments. The official club tournament runs during the summer with additional handicap tournaments run in both summer and winter. American tournaments are run on various weekends, and weekday mornings and evenings throughout the year. Details of other upcoming social events are posted in the clubhouse and on our website.

Coaching

Our Head Coach, Mike Lavey, is an LTA qualified and licensed coach who runs a full coaching programme for adults and juniors from the age of 3 years. Mike is supported by several assistant coaches. Further information on coaching may be found on the coaching noticeboard in the clubhouse or on the Absolute Tennis website www.absolutetennis.org.uk. You can contact Mike either by sending an email to info@absolutetennis.org.uk or on 07734 602063.

Membership

There are a number of different memberships that are designed for different people (further details are on the back of the New Member Application Form). Below is a list of subscription fees. The Improver membership is designed specifically for adult beginners. Please ask for more information if required.

SUBSCRIPTION RATES 2017

Membership Category	Annual 1 April – 31 March	Summer 1 April – 30 September	Winter 1 October – 31 March
Senior (over 25)	£290	£230	£140
Senior (18 to 25)	£155	£125	£57

NB Summer members may extend their membership to cover the rest of the year by paying the balance of the annual amount in October.

New Members joining after 1st July should consult the Membership Secretary for the appropriate fee.

Come and play

If you're keen to play, please contact our Head Coach, Mike Lavey, on 07734 602063 to arrange a hit so he can gauge your standard and help direct you in getting the most value from the club, or contact either of the people mentioned at the top of the sheet.
