INFORMATION FOR PROSPECTIVE MEMBERS OF THE PADEL SECTION

Thank you for your interest in the padel section of our tennis club. Our court is very newly built, with works starting in October and being completed ready for play by mid November 2019.

Here is some information that may answer some questions for you, though if you need anything further, please call our Chairman (Mark Ayers) on 07802 540676, or our Membership Secretary (Mandi Tindall) on 01372 272419 or you may email her at epsommembers@gmail.com

A club for all

In our newly formed Padel section of Epsom LTC we welcome all new members whether you are an adult or a junior. We are a local club, with a friendly relaxed atmosphere and great facilities that encourage both tennis and padel all year round.

For adults

Our floodlit padel court is bookable from 8am, throughout the day, with the last booking ending at 10.00pm. Bookings may be made for up to 90 minutes in 30 minute intervals. Further information will be given to you regarding our on-line court booking system when you have joined the club.

We have social padel tennis (for peak members currently) on Monday and Thursday evenings and on Saturday and Sunday afternoons. To enable some friendly competitive play with fellow members we have set up a series of box leagues. These leagues, of which there are currently 3 with 5 to 6 pairings, run for around 5 weeks before they are reorganised and reissued. You may either play with a partner of your choosing or we will pair you with another member if you could prefer.

For juniors

We offer both peak and offpeak membership for juniors. Juniors have the same rights as adult members when using the courts in accordance with our Junior Charter. We have an appointed Children's Officer whose details may be found on the junior noticeboard in the Clubhouse.

Our facilities

We currently have one floodlit padel court and also 12 tennis courts of varying surfaces – 7 of these are also floodlit. Our clubhouse has a shower and changing rooms. We have a bar for social events and there is a bar available in the neighbouring cricket clubhouse too. Both clubhouses can be used for social events.

Social events and tournaments

The club has a social events calendar for the year with many events open to both tennis and padel members. Within the tennis section we have friendly tournaments, the official club tournament and also seasonal handicap tournaments that run during the year for tennis members. We will be shortly putting together a programme of similar tournaments for the newly formed padel section.

Details of upcoming social events may be found on our Social Calendar which is posted in the clubhouse and also on our website, www.epsomtennisclub.co.uk.

What's App group

We have set up a What's App group to enable members to informally arrange padel matches with other members. Further details will be given to you when you join the padel section.

We have 2 membership rates for our padel section – peak and off peak. Our subscription rates are fully inclusive of both court hire and the use of floodlights. Should you require any further information please don't hesitate to ask.
